Index of Authors

ALPHEY, T. J. W. Studies on the aggregation behaviour of *Nippostrongylus brasiliensis*. (With 2 Figures in the Text), 109

ASHTON, G. C. *See* FERNANDO, M. A.

BECKETT, E. B. The distribution of developing *Brugia pahangi* and *Brugia malayi* larvae within the dorsal longitudinal flight muscles of *Aedes aegypti* and *Mansonia uniformis*. (With 1 Figure in the Text), 119

BECKETT, E. B. Histological changes in mosquito flight muscle fibres associated with parasitization by filarial larvae. (With 2 Plates), 365

BOWER, C. *See* CHERNIN, E.

CHERNIN, E. and BOWER, C. Experimental transmission of *Schistosoma mansoni* in brackish waters, 31

CROFTON, H. D. A model of host–parasite relationships. (With 21 Figures in the Text), 343

DIXON, J. B. A positive correlation between population size and egg-content in *Metastrongylus apri* (Gmelin, 1790). (With 3 Figures in the Text), 191

EWERS, W. H. *Eperythrozoon mariboi* sp. nov., (Protophyta: Order Rickettsiales) a parasite of red blood cells of the flying fox *Pteropus macrotis epularius* in New Guinea. (With 1 Plate and 2 Figures in the Text), 261

FERNANDO, M. A., STOCKDALE, P. H. G. and ASHTON, G. C. Factors contributing to the retardation of development of *Obeliscoides cuniculi* in rabbits. (With 3 Figures in the Text), 21

GRAY, A. R. and ROBERTS, C. J. The cyclical transmission of strains of *Trypanosoma congolense* and *T. vivax* resistant to normal therapeutic doses of trypanocidal drugs, 67

GRAY, A. R. and ROBERTS, C. J. The stability of resistance to diminazene aceturate and quinapyramine sulphate in a strain of *Trypanosoma vivax* during cyclical transmission through antelope, 163

GUNDERS, A. E. *Nuttallia meri* sp. nov. – a new piroplasm from *Psammomys obesus* in the lower Jordan Valley. (With 11 Figures in the Text), 431

HARRY, O. G. Studies on infection and reinfection by eugregarines. (With 2 Plates and 3 Figures in the Text), 213

HUDSON, K. ELAINE. The form and function of the oesophageal region of the insect parasite *Tetradonema plicans*. (With 4 Plates and 1 Figure in the Text), 137

IKEME, M. M. Observations on the pathogenicity and pathology of *Ascaridia galli*. (With 1 Plate), 169

IKEME, M. M. Effects of different levels of nutrition and continuing dosing of poultry with *Ascaridia galli* eggs on the subsequent development of parasite populations, 233

IKEME, M. M. Weight changes in chickens placed on different levels of nutrition and varying degrees of repeated dosage with *Ascaridia galli* eggs. (With 4 Figures in the Text), 251

KEARN, G. C. The attachment of the ancyrocephalid monogenean *Haliotrema balisticus* to the gills of the trigger fish, *Balistes capriscus* (= *carolinensis*). (With 2 Figures in the Text), 157

KEARN, G. C. The attachment site, invasion route and larval development of *Trochopus pini*, a monogenean from the gills of *Trigla hirundo*. (With 4 Figures in the Text), 511

KELLER, R. *Nippostrongylus brasiliensis* in the rat: Failure to relate intestinal histamine and mast cell levels with worm expulsion. (With 1 Figure in the Text). 111

KEMP, D. H., KOUDSTAAL, D. and KERR, J. D. Labelling larvae of the cattle-tick *Boophilus microplus*, with ^{32}P to follow their movements on the host. (With 2 Figures in the Text), 323
KENNEDY, C. R. The effect of temperature upon the establishment and survival of the cestode *Caryophyllaeus laticeps* in orfe, *Leuciscus idus*. (With 2 Figures in the Text), 59
KERR, J. D., *See* KEMP, D. H.
KOUDSTAAL, D. *See* KEMP, D. H.
KUNTZ, R. E. *See* SCHMIDT, G. D.

LEE, D. L. Changes in adult *Nippostrongylus brasiliensis* during the development of immunity to this nematode in rats. 2. Total lipids and neutral lipids, 271
LEE, D. L. The structure and development of the protozoon *Histomonas meleagridis* in the male reproductive tract of its intermediate host, *Heterakis gallinarum* (Nematoda). (With 3 Plates and 2 Figures in the Text), 439
LETHBRIDGE, R. C. The chemical composition and some properties of the egg layers in *Hymenolepis diminuta* eggs. (With 3 Figures in the Text), 275
LONG, P. L. *See* ROSE, M. ELAINE
LYONS, K. M. Comparative electron microscope studies on the epidermis of the blood living juvenile and gill living adult stages of *Amphibdella flavolineata* (Monogenea) from the electric ray *Torpedo nobiliana*. (With 4 Plates and 1 Figure in the Text), 181

MOLOO, S. K. An artificial feeding technique for *Glossina*. (With 2 Figures in the Text), 505

OGBOURNE, C. P. Variations in the fecundity of strongylid worms of the horse. (With 5 Figures in the Text), 289
OGBOURNE, C. P. On the morphology, growth and identification of the pre-infective larvae of some horse strongylids. (With 7 Figures in the Text), 455

PENNYCUICK, L. Seasonal variations in the parasite infections in a population of three-spined sticklebacks, *Gasterosteus aculeatus* L. (With 7 Figures in the Text), 373
PENNYCUICK, L. Frequency distributions of parasites in a population of three-spined sticklebacks, *Gasterosteus aculeatus* L., with particular reference to the negative binomial distribution. (With 6 Figures in the Text), 389
PENNYCUICK, L. Differences in the parasite infections in three-spined sticklebacks (*Gasterosteus aculeatus* L.) of different sex, age and size. (With 8 Figures in the Text), 407
PHILLIPS, R. S. Antigenic variation in *Babesia rodhaini* demonstrated by immunization with irradiated parasites. (With 4 Figures in the Text), 315

READER, T. A. J. Histochemical observations on carbohydrates, lipids and enzymes in digenean parasites and host tissues of *Bithynia tentaculata*. (With 3 Plates), 125
READER, T. A. J. The pathological effects of sporocysts, rediae and metacercariae on the digestive gland of *Bithynia tentaculata* (Mollusca: Gastropoda). (With 2 Plates), 483
ROBERTS, C. J. *See* GRAY, A. R.
ROSE, M. E. and LONG, P. L. Immunity to coccidiosis: protective effects of transferred serum and cells investigated in chick embryos infected with *Eimeria tenella*. (With 2 Plates), 299

SCHLEIN, Y. and THEODOR, O. On the genitalia of the Pupipara and their homologies with those of *Calliphora* and *Glossina*. (With 28 Figures in the Text), 331
SCHMIDT, G. D. and KUNTZ, R. E. Nematode parasites of Oceanica. XIII. Subuluridae, Thelaziidae and Ascaridiidae of birds. (With 23 Figures in the Text), 91
SCORZA, J. V. Electron microscope study of the blood stages of *Plasmodium tropiduri*, a lizard malaria parasite (With 6 Plates), 1
SHOTTER, R. A. The biology of *Clavella uncinata* (Muller) (Crustacea: Copepoda). (With 3 Figures in the Text), 419
SNOW, K. R. Identification of the larvae of *Hyalomma* (*Hyalomma*) *anatolicum* subspecies (Ixodoidea: Ixodidae) with special reference to chaetotaxy. (With 12 Figures in the Text), 101
SPRENT, J. F. A. A new genus and species of ascaridoid nematode from the marsupial wolf (*Thylacinus cynocephalus*). (With 1 Plate and 14 Figures in the Text), 37

Sprent, J. F. A. A note on *Lagochilascaris* from the cat in Argentina. (With 10 Figures in the Text), 45

Stockdale, P. H. G. *See* Fernando, M. A.

Stoffolano, J. G. Jr. and Streams, F. A. Host reactions of *Musca domestica*, *Orthellia caesarion*, and *Ravinia l'herminieri* to the nematode *Heterotylenchus autumnalis*. (With 5 Plates), 195

Streams, F. A. *See* Stoffolano, J. G. Jr.

Theodor, O. *See* Schlein, Y.

Whitfield, P. J. Phylogenetic affinities of Acanthocephala: an assessment of ultra-structural evidence. (With 1 Plate and 2 Figures in the Text), 49

Wilson, R. A. Gland cells and secretions in the miracidium of *Fasciola hepatica*. (With 4 Plates and 1 Figure in the Text), 225

Wilson, R. A., Pullin, R. and Denison, J. An investigation of the mechanism of infection by digenetic trematodes: the penetration of the miracidium of *Fasciola hepatica* into its snail host *Lymnaea truncatula*. (With 5 Plates and 1 Figure in the Text), 489

Wilson, R. J. M. Effects of methotrexate on the parasitic development of the nematode *Dictyocaulus viviparus* (Metastrongylidae), and on the immune response of infected guinea-pigs. (With 7 Figures in the Text), 145

Young, A. S. and Cox, F. E. G. The effect of betamethasone on *Babesia microti* and *B. rodhaini* infections in rodents. (With 4 Figures in the Text), 447

Index of Subjects

Acanthocephala, phylogenetic affinities of, 49
Aedes aegypti, distribution of *Brugia* larvae in, 119
Amphibdella flavolineata, electron microscope studies on the epidermis of, 181
Antelope, drug resistance of *Trypanosoma* in, 163
Artificial feeding, of *Glossina*, 505
Ascaridia galli, pathogenicity and pathology of, 169
effect of poultry nutrition on populations of, 233
effect of, on weight of chickens, 251
Ascaridiidae, from Birds of Oceanica, 91
Ascaridoid nematode, new species of, from marsupial wolf, 37

Babesia, effect of betamethasone on infections of, in rodents, 447
Babesia rodhaini, antigenic variation in, 315
Balistes capriscus, attachment of *Haliotrema* to the gills of, 157
Behaviour, aggregation, in nematodes, 109
Betamethasone, effect of, on *Babesia* infections in rodents, 447
Birds, nematode parasites of, of Oceanica, 91
Bithynia tentaculata, histochemical observations on digenean parasites in, 125
pathological effects of digenean larval stages on digestive gland of, 483
Boophilus microplus, labelling of larvae of with ^{32}P, 323
movement of larvae of, on cattle, 323
Brugia malayi, distribution of larvae of, in *Aedes* and *Mansonia*, 119
Brugia pahangi, distribution of larvae of, in *Aedes* and *Mansonia*, 119

Calliphora, genitalia homologies of, with Pupipara, 331
Caryophyllaeus laticeps, effect of temperature upon establishment and survival of, in orfe, 59
Cat, *Lagochilascaris* from, in Argentina, 45
Cattle, movement of *Boophilus* larvae on, 323
Ceratospira inglisi, new nematode species from *Kakatoe haematopygia* and *Ducula b. badia*, 91
Chaetotaxy, its use in the identification of larvae of *Hyalomma*, 107
Clavella uncinata, biology of, 419
Coccidiosis, immunity to, 299
Copepoda, biology of *Clavella uncinata*, 419
Cotylascaris thylacini, new ascaridoid species from marsupial wolf, 37
Cyclical transmission, of *Trypanosoma* spp. resistant to trypanocidal drugs, 67

Dictyocaulus viviparus, effect of methotrexate on development of, 145
Digenea, histochemical observations on, in *Bithynia*, 125
pathological effects of larval stages of, on snail, 483
infection of *Lymnaea* by miracidium of *Fasciola*, 489
Diminazene aceturate, resistance of *Trypanosoma* to, 163

Egg, properties of layers of, of *Hymenolepis*, 275
Egg-content, correlation between, and population size, in *Metastrongylus*, 191
Eimeria tenella, protective effects of transferred serum and cells from chicks infected with, 299
Eperythrozoon mariboi, from red blood cells of flying fox, 261
Eugregarines, studies on infection and reinfection by, 213

Fasciola hepatica, gland cells and secretions in the miracidium of, 225
method of snail penetration by miracidium of, 489
Filarial larvae, histological changes in mosquito flight muscle fibres associated with parasitization, by, 365
Flying Fox, *Eperythrozoon mariboi* sp. nov., from red blood cells of flying fox, 261

Frequency distributions, of parasites in sticklebacks, 389
as basis of theoretical model, 343

Gasterosteus aculeatus, seasonal variations in parasite infections of, 373
frequency distribution of parasites in, 389
sex, age and size differences in parasite infections of, 407
Genitalia, of Pupipara, 331
Glossina, genitalia homologies of, with Pupipara, 331
a technique for artificial feeding of, 505
Guinea pigs, effect of methotrexate on immune response of, 145

Haliotrema balisticus, attachment of, on gills of trigger fish, 157
Heterakis gallinarum, development of *Histomonas* in, 439
Heterotylenchus autumnalis, reactions of *Musca*, *Orthellia* and *Ravinia*, to, 195
Histochemistry, of digeneans in *Bithynia*, 125
Histomonas meleagridis, structure and development of, in *Heterakis*, 439
Horse, fecundity of strongylids from, 289
pre-infective strongylid larvae from, 455
Host/Parasite relationships, retardation of development of *Obeliscoides* in rabbits, 21
a host-parasite model, 343
effect of host sex, age and size on parasites of stickleback, 407
Hyalomma anatolicum, identification of larvae of, 101
Hymenolepis diminuta, chemical properties of egg layers of, 275

Immunity, to coccidiosis, 299
a theoretical model of, 343
Immunization, with irradiated *Babesia*, 315
Infection, studies on, by eugregarines, 213
Ixodoidea, identification of larvae of *Hyalomma*, 107

Lagochilascaris, from the Cat in Argentina, 45
Leuciscus idus, the establishment and survival of *Caryophyllaeus* in, 59
Life history, of *Clavella uncinata*, 419
Lipids, changes in, during development of immunity in rats to *Nippostrongylus*, 271
Lizard, electron microscope studies of *Plasmodium* in, 1
Lymnaea truncatula, penetration of, by *Fasciola* miracidium, 489

Malaria parasite, electron microscope studies of, in lizard, 1
Mansonia uniformis, distribution of *Brugia* larvae in, 119
Marsupial wolf, new species of Ascaridoid nematode from, 37
Metastrongylus apri, correlation between population size and egg-content in, 191
Methotrexate, effect of, on immune response of guinea pigs infected with *Dictyocaulus*, 145
effect of, on development of *Dictyocaulus*, 145
Miracidium, gland cells and secretions of, of *Fasciola*, 225
Monogenea, attachment of *Haliotrema*, to the gills of trigger fish, 157
studies on the epidermis of *Amphibdella*, 181
attachment, invasion and larval development of *Trochopus*, 511
Mosquito, distribution of *Brugia* larvae in, 119
histological changes in flight muscles of, associated with filarial larvae parasitization, 365
Musca domestica, reactions of, to *Heterotylenchus*, 195

Nematode parasites, of birds of Oceanica, 91
New Species, *Ceratospira inglisi*, from *Kakatoe haematopygia* and *Ducula b. badia*, 91
Cotylascaris thylacini, from marsupial wolf, 37
Eperythrozoon mariboi, from red blood cell of flying fox, 261
Nuttallia meri, a new piroplasm from *Psammomys*, 431
Subulura helicospicula, from *Phaenicophaeus curvirostris*, *P. chlorophaeus*, and *Pycnonotus zeylanicus*, 91

Nippostrongylus brasiliensis, aggregation behaviour of, 109
changes in, during the development of immunity to, in rats, 271
histamine and mast cell levels in rat, relating to expansion of, 473
Nuttallia meri, a new piroplasm from sand rat, 431

Obeliscoides cuniculi, factors contributing to retardation of development of, 21
Oceanica, nematode parasites of, 91
Orthellia caesarian, reactions of, to *Heterotylenchus*, 195

Pathenogenicity, of *Ascaridia*, 169
Phylogenetic affinities, of Acanthocephala, 49
Plasmodium tropiduri, electron microscope studies of blood stages of, 1
Population studies, correlation between population size and egg content in *Metastrongylus*, 191
a host-parasite model, 343
seasonal variations in parasite infection in sticklebacks, 323
Poultry, effect of nutrition of, on *Ascaridia* populations, 233
effect of *Ascaridia* on the weight of, 251
transmission of *Histomonas* in, 439
Psammomys obesus, a new piroplasm from, 431
Pupipara, genitalia of, 331

Quinapyramine sulphate, resistance of trypanosomes to, 163

Rabbits, retardation of development of *Obeliscoides* in, 21
Rat, aggregation behaviour of *Nippostrongylus brasiliensis*, 109
development of immunity to *Nippostrongylus*, in, 271
intestinal histamine and mast cell levels of, relating to expulsion of *Nippostrongylus*, 473
Ravinia l'herminieri, reactions of, to *Heterotylenchus*, 195
Rodents, effect of betamethasone on *Babesia* infections of, 447

Sand rat, a new piroplasm from, 431
Schistosoma mansoni, transmission of, in brackish water, 31
Stickleback, seasonal variations in parasite infections of, 373
frequency distribution of parasites in, 389
sex, age and size differences in parasite infections of, 407
Strongylids, the fecundity of, from horses, 289
morphology, growth and identification of pre-infective larvae of, 455
Subulura helicospicula, new species from *Phaenicophaeus curvirostris*, *P. chlorophaeus*, and *Pycnonotus zeylanicus*, 91

Tetradonema plicans, form and function of oesophageal region of, 137
Thelaziidae, from birds of Oceanica, 91
Thylacinus cynocephalus, new species of Ascaridoid nematode from, 37
Torpedo nobiliana, electron microscope studies on the epidermis of *Amphibdella* from, 181
Transmission, experimental, of *Schistosoma mansoni*, 31
Trigger fish, attachment of *Haliotrema* to the gills of, 157
Trigla hirundo, attachment, invasion and larval development of *Trochopus*, from, 511
Trochopus pini, attachment, invasion and larval development of, from *Trigla*, 511
Trypanosoma congolense, resistance of, to trypanocidal drugs, 67
Trypanosoma vivax, resistance of, to trypanocidal drugs, 67
drug resistance of, in antelope, 163

Ultra-structure, an assessment of significance in the phylogenetic affinities of Acanthocephala, 49
of oesophageal region of *Tetradonema*, 137
of epidermis of *Amphibdella*, 181
